# RECORD SHARING

## Medical Record Sharing

**Medical Record Sharing** allows you/your child's complete GP medical record to be made available to authorised healthcare professionals involved in your/your child's care. You will always be asked your permission before anyone looks at you/your child's shared medical record.

An informed patient, in consultation with a Health Care Professional, can choose to permit or restrict access to the information entered into their clinical record at each SystmOne organisation at which they receive care. The patients consent can be changed at any time.

## SHARING OUT

Does the patient consent to the sharing of data recorded here with any other organisation that may care for the patient?

- YES – share data with other organisations
- NO – do not share any data recorded here

## SHARING IN

Does the patient consent to viewing of data by this organisation that is recorded at other care services that may care for the patient where the patient agreed to make the data shareable?

- CONSENT GIVEN
- CONSENT REFUSED
